COURSE DESCRIPTION

Do you need to build large cross-institutional or international networks to drive transformative change? Do you need to diagnose complex systems of actors and identify entry points for change? Do you need to design a "Theory of Change" that captures multi-level interventions?

If so, this course module will help you to design and implement strategies for impactful networks of change-makers and future-oriented organizations. It equips dedicated change stewards in public, private, and civil society organisations with tools for driving systems change in networks. Understanding the transformation enablers and network enablers will help you stewarding collaborative networks for systems impact

Tuition 1.500 € online
fee 2.000 € in-person

YOUR KEY TAKE-AWAYS

- ✓ Diagnose your system of actors and identify entry points for transformation.
- ✓ Define key action steps to set up a thriving network of actors.
- ✓ Develop your network journey for strategizing transformative change around the six network enablers for sustainability.
- ✓ Use the network enablers to track your progress and adjust your strategies.
- ✓ Apply learned methodologies to your real case during the course.
- ✓ Use the © *Collective Leadership Compass* to develop a transformative "Theory of Change".
